New Farr 400 in action in Barcelona - more pics in 'galleries'

06 Jun 2011

Premier Composite Technologies (PCT) builders of the FARR 400, the new all carbon one design, releases new shots of the boat in action in Barcelona.

See the series below as well as in the Gallery home page on this site.

The FARR 400 is now on its way to St Tropez for the Giraglia Rolex Cup starting June 15th 2011.
